

Fortune 1000

Dallas-Fort Worth continues to draw Fortune and Global 500 headquarters through growth and expansion of local companies as well as by relocations of headquarter operations. DFW is the only region in the U.S. to host three Fortune 10 companies (Exxon Mobil, McKesson and AT&T). No other metro has more than one. These three DFW companies are also among the Global 25, second only to Beijing in number.
